

All about Extended stay Hotels

By Roberto Garabell

The aim of extended stay hotel is to make staying in hotels feasible and affordable to everybody for as long as possible. In extended stay hotels you get the same experience same as staying at your home; you have a very comfortable environment there with more work space available. The extended hotels are designed to especially meet the demands for businesses trips and leisure trips. There is always a kitchen and 24 hour laundry available for the guests. Along with plain rooms extended hotels also have studio suites. Studio suites are much larger in proportion and much cheaper when compared to other apartments or other hotel options. Extended hotels are basically a huge space given to you with beautiful furniture, for you relax and soothe your senses away from home and business responsibilities. They are also used for business assignments and are most commonly used to spend vacations.

Extended stay hotels consist everything that you can dream of in a place, they with the space and affordability come as a complete package. They are present in all remote areas this also gives them convenience. Extended stay hotels are usually found in famous markets of Atlanta, Boston, San Francisco, Chicago, Los Angeles, Philadelphia, Washington D.C and Dallas.

Extended stay hotels are an excellent choice if your trips our of a week or much longer. Its the perfect spot for family vacations. The best advantage of extended stay hotels is that there affordable with an extra room and they also have a kitchen which cuts down the food cost to a great extent. A family can have a great vacation in extended stay hotels. They are also corporate houses providing important business amenities. They have wireless internet connection with good speed and also HSIA, all this makes the extended stay hotels more inspiring and attractive. Extended stay hotels are very popular and enjoy a long list of loyal customers as it makes a perfect accommodation spot for hotel guests.

if your looking for your housing needs to be fulfilled on long term bases then extended stay America, Studio Plus, Extended Stay America, Homestead Studios and Crosland should be the right choice for you.
